Government Tirunelveli Medical College Hospital Launches Vaso Meditech Enhanced External Counter Pulsation treatment for Cardiac Patients

Press Release: Chennai 09th Aug 2015.

(Vaso-Meditech Pvt Ltd, exclusive distributor and clinical support for EECF in India)

Enhanced External Counter Pulsation treatment was launched on 9th August 2015 in Tirunelveli Government Medical College Hospital by Director of Medical Education Dr.S.Geethalakshmi in the presence of Tirunelveli District collector Mr.Karunakaran IAS, Mayor of Tirunelveli E. Bhuvaneshwari, Member of Parliament (RS) Tmt.Vijila Sathyananth, Dean of Tirunelveli Medical College Hospital, Director Vaso-Meditech Dr. S.Ramasamy and Chief Advisor of Vaso-Meditech Pvt Ltd Mr. Bindhu Madhavan IAS, (Retired Additional chief secretary to the Gov of TamilNadu)

Director of Medical Education Dr.S.Geethalakshmi inaugurating EECF ward accompanied by Retired Additional Chief Secretary Govt. Of Tamil Nadu Mr.PR.Bindhu Madhavan IAS, Tirunelveli Dist. Collector Mr.Karunakaran IAS, Dean TGMCH Dr.Sithy Athiya Munavara, Dr.J.M.Ravichandran Edwin Professor & HOD, Dr.A.S.Arul Professor of Cardiology TGMCH and Vaso Meditech Director Dr.S.Ramasamy.

This is part of the TamilNadu Government initiative to provide EECPP treatment in all

TN Government Medical College Hospital covered under Chief Minister Comprehensive Health Insurance Scheme. Professor and Head of the Department of Cardiology Dr. J.M.Ravichandran Edwin along with Professor of Cardiology Dr.A.S .Arul explained the EECPP treatment benefit to the delegates.

EECP Inauguration Welcome Board in Tirunelveli Medical College Hospital

Enhanced External Counter Pulsation (EECP) is a non-Invasive treatment for patients

with obstruction in coronary artery, which supplies blood to heart muscles and for patients with poor heart pumping function. In contrast to cardiac treatment like Bypass surgery and angioplasty EECPP treatment is completely non-invasive, safe, and patients need not get admitted in the hospital or expose to risk of intervention.

EECP Inauguration Welcome Board in Tirunelveli Medical College Hospital

During EECp treatment pressure is given in the lower limb one hour per day for 35 days based on patients ECG. This would improve the blood flow to the heart by forming new vessel around the blocked artery naturally without surgery.

Director of Medical Education Dr.S.Geethalakshmi with Dean TGMCH Dr.Sithy Athiya Munavara Murugan, Retired Additional Chief Secretary Govt. Of Tamil Nadu Mr.P.R.Bindhumadhavan IAS,Tirunelveli Distict Collector Mr.Karunakaran IAS and Vaso Meditech Director Dr.S.Ramasamy

Tirunelveli is the ninth Hospital in the state to start this treatment after Chennai, Coimbatore, Vellore, Salem and Kanyakumari. More than 200 doctors attended the program. Dr.S.Ramasamy director of Vaso-Meditech presented the project report of EECp and explained the success of EECp treatment under the Chief Minister Scheme. EECp is now installed and available for cardiac patient treatment in Tirunelveli Government Medical College Hospital. Its project cost is around 80 Lakhs.
