Press Release Chennai March 28th 2009.

(Vaso-Meditech Pvt Ltd Exclusive distributor and clinical support for EECP in India)

International EECP therapist Annual meeting was conducted in Florida on March 28th 2009. The meeting was conducted in Lake Buena Vista Resort Hotel. EECP clinical presentation was organized during the meeting for International EECP therapist and physicians from various countries.

Dr.S.Ramasamy Director of Vaso-Meditech Pvt Ltd delivered the lecture on Growth and Expansion of EECP in India and **Ozlem Soran**, Associate Professor of Medicine/Epidemiology/Research Cardiovascular Institute, University of Pittsburgh Medical Center presented on Clinical Update on EECP in Angina and Heart Failure”.

The discussion was done on effectiveness of EECP in patient with ischemic Cardiomyopathy and possibility of treating the patient with 15 sessions short course therapy was also discussed. Indian data on improvement in ejection fraction in patient with Left ventricular dysfunction assessed by Echocardiography was discussed in detail. **Dr.K.M.Cherian** heart foundation Chennai experience in treating patient with EECP prior to bypass surgery to avoid insertion of Intra Aortic balloon pump was greeted with so much of enthusiasm and suggestion to do a randomized control trail was accepted.

Dr.Soran shared the data from International EECP registry based in Pittsburg and study showing EECP reduce the emergency visit and hospitalization in patient with heart failure. The interactive sessions was organized between the two speakers and the therapist. Treatment protocol, safety of patients and how the clinical improvement of patients can be present to their cardiologist were discussed during the interactive session.

The meeting was well attended by delegates from various countries. Vasomedical Vice President, Sales and Marketing **Mr. Larry Liebman** present during the meeting and he said that IETA meeting will help to increase the awareness of EECF to cardiologist and patients.

Dr.S.Ramasamy with IETA Medical Director Dr. Jan Weber and Dr. Ozlem Soran Associate Professor of Cardiovascular research Pittsburg University USA
