

Tamilnadu Health Secretary Thiru V.K.Subburaj IAS Inaugurated Preventive cardiology & EECp Heart Failure clinic in Global Health city and Hospital.

14th June 2010, Chennai: Vaso-Meditech Pvt Ltd partnered with Global Health City and Hospital started Heart failure clinic in Chennai. Thiru V.K.Subburaj IAS Secretary, Dept.of Health and family welfare inaugurated the center.

The meeting was attended by Dr.Ravindranath Chairman of Global health city and Hospitals, International Guest Prof Dr.John Cockcroft Wales Heart Research Institute, Cardiff, UK, Dr.Madhu Sankar Chief Cardio Thoracic Surgeon, Dr.Joy.M.Thomas Interventional cardiologist and Dr.S.Ramasamy Director of Vaso-Meditech Pvt Ltd.

Thiru V.K.Subburaj Health secretary inaugurated the Heart failure clinic with EECp treatment and Preventive cardiology department with newer diagnostic devices to predict heart attack by measuring central blood pressure and arterial stiffness. SphygmoCor Device is the USA FDA approved device to measure central aortic pressure non-invasively.

Clinical discussion and presentation was done by International faculty Prof Dr. John Cockcroft and Dr. Joy.M.Thomas. This heart failure department will focus on improving the quality of life of patients with poor heart function through EECp therapy and other treatment like Dual chamber pacemakers and Heart transplant.

Chairman Dr.Ravindranath mentioned Global Health city and Hospital will improve its cardiac program by including this heart failure wing and make the newly approved EECp treatment to needed heart patients. Dr.Madhu Sankar answering questions from press and international patients informed EECp treatment is already approved by Kalaignar Insurance Scheme for Life saving Treatments.

Dr.S.Ramasamy director of Vaso-Meditech Pvt Ltd said his company will extend all its support to Global hospital to develop a successful heart failure program for patients with poor quality of life and suffer from shortness of breath & chest pain even on minimal exertion.

The meeting was well attended by Faculty members of Global Hospital, Press people and International patients.
