## **Vaso Meditech Enhanced External Counter Pulsation treatment was presented in Sri Jayadeva Institute of Cardiovascular Science and Research**

**Press Release: Chennai May 30<sup>th</sup> 2015**

**(Vaso-Meditech Pvt Ltd, exclusive distributor and clinical support for EECF in India)**

Director of Vaso-Meditech Pvt Ltd, as well as EECF clinical Expert & Consultant Dr.S.Ramasamy, deliver a lecture on Enhanced External Counter Pulsation treatment in the institute of Sri Jayadeva Cardiovascular Science and Research which is one of the premier cardiology Institutes in India. The meeting was organized by Dr. C.N. Manjunath Chief Cardiologist of the institute.

*Dr.S.Ramasamy EECF expert delivering the Lecture in Sri Jayadeva Institute of Cardiovascular Science and Research*

Dr.Ramasamy has stated that Vaso-Meditech Pvt Ltd Enhanced External Counter Pulsation is a Non-Invasive, FDA cleared, and American college of cardiology / American Heart Association / European Society of Cardiology Guideline recommended treatment for coronary artery disease. The treatment works by angiogenesis, opening the

dormant collateral and improving vascular endothelial function. The basic Hemodynamics, acute and long term EECP treatment benefit, Mechanism of action, Indication, Contraindication, patient management during EECP treatment and clinical data on patient outcome are all fully explained

The lecture of Dr.S.Ramasamy was followed by live demonstration and the procedure for the Enhanced External Counter Pulsation treatment.
