

## **K.G.Hospital Coimbatore Inaugurated Heal your Heart™ Advanced Heart Failure wing in research Collaboration with Vaso-Meditech Pvt Ltd.**

**Press Release Chennai Jan 30<sup>th</sup> 2010. (Vaso-Meditech Pvt Ltd Exclusive distributor and clinical support for EECP in India)**

Coimbatore 30<sup>th</sup> Jan 2010: K.G.Hospital super-specialty center is an advanced high-tech center for state-of-the-art cardiac care. The center provides world-class treatment facilities and healthcare experts for Cardiac Care under one roof equipped to provide treatment to every one - from neonates to nonagenarians.

Mr.V.K.Subburaj IAS principle secretary- Health & Family welfare Government of Tamilnadu inaugurated Vasomedical EECP® therapy system in K.G.Hospital. He said EECP therapy should be used in patients who are not willing for surgery and in Heart failure patients. He pointed out since EECP can able to do what exercise can do, it may be used as a preventive measure to improve blood flow in the heart.

Padma Shri Awardee and Chairman of K.G.Hospital Dr. G. Bakthavathsalam, commented that EECP is a viable option for patients who have poor heart function and quality of life where interventional procedure may carry high risk. This treatment will improve the heart muscle blood flow so that heart can contract much better.

The meeting was preceded by a scientific session organized by Vaso-Meditech Pvt Ltd. Various presentation and discussion was held in the patient's selection for EECP treatment. Dr.S.Ramasamy EECP expert and Director of Vaso-Meditech Pvt Ltd presented the role of EECP in Heart failure clinic.
