

Indian EECp patient Registry (IEPR) organized a meeting to felicitate Padsmashree Dr.K.M.Cherien and inaugurated its First EECp treatment center in Madurai.

Press Release Chennai August 10th 2008: (Vaso-Meditech Pvt Ltd Exclusive distributor and clinical support for EECp in India)

Chennai Aug 10th 2008. Vaso-Meditech Pvt Ltd pioneers in providing technical and clinical support for EECp therapy in India with assistance from Clinical experts in India and in USA organized a CME program to provide clinical evidence of EECp therapy and other newer diagnostic modalities available to diagnose Coronary artery disease.

The CME program and the first EECp center in Devaki Heart center was inaugurated by Dr.K.M.Cherien (Chairman & CEO, Frontier lifeline Hospital). The Cardiologist of Madurai and Vaso-Meditech Pvt Ltd sponsored Indian Patients EECp registry felicitated Dr.K.M.Cherien for his contribution to cardiac surgery in India and to take a lead role in Introducing EECp therapy in Tamilnadu. He was awarded with a memento and declared as "MASTER HEALER OF HEART".

In the CME program Cardiologist from Frontier life line Hospital Dr.C.K.Das and Dr. Madhu.N.Shanker (Cardio Thoracic Surgeon) spoke on Non-Drug Management of heart failure and the role of EECp in Heart failure and refractory angina. The speakers pointed out that there is growing evidence for using EECp in patients with poor heart function and chest pain in spite of undergoing conventional methods.

Dr.S.Ramasamy Director of Vaso-Meditech Pvt Ltd spoke on Missing Link in Cardiac health check up. The speech was centered on whether arterial stiffness measurement should be incorporated in Cardiac health check up. Arterial stiffness assessment is getting momentum as it can able to predict future cardiac problem in early stage of the disease.

Dr. Laximipathy presented the role of PET scan in diagnosing cardiac problem non-Invasively. The CME program was chaired by leading cardiologist in Madurai Dr.S.Palanisamy, Dr.Amuthan, Dr.Janarthanan, Dr.Durairaj, Dr.K.R.J.Kannan, Dr.Murugan, Dr.Suburamakrishnan, Dr.Balasubramanian, Dr.Pandian, and Dr.Naina Mohammed. The special guests Dr.Srinivasan, Dr.S.S.Annamalai Samy and Dr.V.V.Muthusamy aired their positive view of EECp treatment in the function.

The function was attended by more than 200 physicians. Dr.P.S.Nagenderan Manging director of Devaki EECp heart care centre said "This EECp center will be available for patients in southern Tamilnadu for the first time and this will help the local residents of Madurai to have the treatment in Madurai instead of going to Chennai.
