Press Release Chennai July 8th 2012. (Vaso-Meditech Pvt Ltd, exclusive distributor and clinical support for EECP in India).

Vaso-Meditech Pvt Ltd the distributor for EECP in India with NM Medical one of the leading diagnostic chains in India jointly participated in the Conference organized by Indian Association of Occupational health Thane branch Mumbai. Dr.S.Ramasamy director of Vaso-Meditech Pvt Ltd delivered a Lecture on EECP the option for patients who are not fit for Coronary Bypass Surgery.

EECP is emerging as a treatment option for patients to increase their blood flow to the heart muscle by forming new vessels around the blocked arteries. The treatment is called Natural Bypass due to its tendency to cause angiogenesis.

Dr.Nilesh Shah eminent and well recognized radiologist in Mumbai and also Chairman of NM medical said “NM medical a diagnostic chain has started its First EECP therapy program in its facility in Chowpatty”. He further added since its non-invasive & safe and could help thousands of cardiac patients to develop their own blood vessels and improve their health condition. The treatment will be

Dr.S.Ramasamy Delivering Lecture. provided by our expert team members who are trained in EECP therapy. The meeting was held in Unison Hall, Four points by Sheraton, Vashi.
